Equitation Flat Classes – Specifications

Equitation Classes will be judged on the riders “riding ability” and not the pony.

Ponies to be ridden in snaffle bits (see list)

Each rider will be asked to give a specific individual show. The judge may ask to see some of the following movements:-

20 meter circle

10 meter circle

Sitting trot

Canter on a given leg on the straight

3 loop serpentine

Ride on a long rein

Trot to halt transition

Walk to canter transition (16 and over class only)

Rein Back (16 and over class only)

Marking System	Points
Each movement will be awarded	10
Riders Position and Seat	20
Use and effectiveness of aids	20
